

## Declaration of grants and donations

Novo Nordisk is committed to providing on-going support for patient associations in therapeutic areas where we feel we can make a difference. This includes financial and non-financial support in the form of sponsorship of educational meetings and charitable donations

In 2014, Novo Nordisk supported Diabetes Ireland. The financial value of this support totalled €20,000. This included a corporate collaboration in the form of a Gold Card Membership (€10,000), a grant towards the Changing Diabetes Charity Cycle (€5,000) and sponsorship of the Diabetes Ireland Paediatric Study Day (€5,000).

Novo Nordisk made donations to the Irish Pituitary Foundation for €750 and Focus Ireland for €1500.

Non-financial support was provided to Diabetes Ireland in the form of administrative support for the organisation of the Diabetes Ireland Paediatric Study Day. Non-financial support was provided to the Type 1 Diabetic Dublin Support Group through the use of the Novo Nordisk Ireland boardroom to facilitate their monthly meetings. Non-financial support was also provided to the DAFNE patient group based in Galway in the form of pro cyclist Stephen Clancy from Team Novo Nordisk presenting to the group.
