

Patient Organisations Disclosure

Novo Nordisk is committed to providing ongoing support for patient organisations in therapeutic areas where we feel we can make a difference. This includes financial and non- financial support in the form of sponsorship of educational meetings, activities and charitable donations.

From June 2026, Novo Nordisk will disclose payments and transfers of value (ToV) made to Irish patient organisations centrally on www.transferofvalue.ie website, rather than on this platform. Payments and transfers of value (ToV) made to Irish healthcare professionals and healthcare organisations are also publicly disclosed on the www.transferofvalue.ie website.

The Patient Organisations disclosure is made in compliance with Irish Pharmaceutical Healthcare Association Code of Practice for the Pharmaceutical Industry, Annex III: Guideline for Companies on Working with Patient Organisations
